NORTON PLANT SHOP

Peters Street

Norton, Mass.

We Ship Only Fresh Cut Leaves

**Where the Best of the Old and the Newest of the
New Varieties Are Grown**

BASIC LIST OF VARIETIES AVAILABLE AT THIS TIME

New varieties added monthly

**Limited quantities of some varieties. State second choice
or no substitution.**

Handling charge of 75c on all orders under \$5.00.

\$5.00 and over mailed free of charge. If order desired sent by air mail or Special Delivery add 35c.

Leaves are guaranteed to reach you in good condition.

We ship all season and take all the risk except in instances where delivery is R.F.D. miles from Post Office. Complaints must reach us within five days of our shipping date.

From time to time our price list will change as we acquire new varieties and with the availability of existing varieties. We will continue to add to our lists only the best of the new and will discontinue such varieties we feel do not live up to the standards we require of our plants.

We will continue to obtain and grow only the best flowering varieties. That is why we prefer you list a second choice on any leaves ordered.

In ordering from the Bargain List you need to state only the number of selection and include in addition to cost of leaves \$.75 for handling and postage.

All leaves are from plants which are fertilized and selenated periodically. Each order is sent with planting and growing instructions and an envelope of Fermate.

Each leaf is guaranteed fresh cut, individually packed and labeled in pylofilm envelope. Shipped First Class Mail unless otherwise requested. We can not be responsible for boxes damaged by postal service. Give complaint to local postmaster. We will ship large orders insured Special Handling.

We do not ship during December because of our own volume of business at home and because of the heavy mails during the holiday season.
